Journal of
ENTEROSTOMAL THERAPY

EDITOR

Victor Alterescu, RN, ET
57 Scenic Avenue
Pt. Richmond, California 94801

SENIOR ASSOCIATE EDITOR

Rosemary Watt, RN, MS, ET
Stanford University Medical Center
Stanford, California

ASSOCIATE EDITORS

Lolita Adrien RN, MS, ET
Stanford University Medical Center
Stanford, California

Joy Boarini, RN, MSN, ET
Abbott Northwestern Hospital
Minneapolis, Minnesota

Velma Bragg, RN, ET
Burke County Hospital
Waynesboro, Georgia

Patricia S. Goode, RN, MS, ET
Warrior, Alabama

Beverly Hampton, RN, ET
M. D. Anderson Hospital and Tumor Institute
Houston, Texas

Mary Jo Kroeber, BSc, BA, FCNA, ET
Princess Margaret Hospital for Children
Perth, Western Australia

Glenda J. Motta, RN, MPH, ET
Manor Care Adelphi Nursing Center
Adelphi, Maryland

Marilyn Ritter, RN, MSN, ET
Washoe Medical Center
Reno, Nevada

Dorothy B. Smith, RN, MS, ET
M. D. Anderson Hospital and Tumor Institute
Houston, Texas

Bonnie Sue Rolstad, RN, ET
Colon & Rectal Surgery Associates
Minneapolis, Minnesota

Pamela Gaherin Watson, ScD, RN, ET
Boston University School of Nursing
Boston, Massachusetts

Cynthia Young, RN, ET
Roswell Park Memorial Institute
Buffalo, New York

EDITORIAL CONSULTANTS

John C. Goligher, ChM, FRCS (Hon), FACS
Emeritus Professor of Surgery
University of Leeds
Leeds, England

Martin L. Lambert, Jr., PhD, MPH
Professor, School of Pharmacy
Samford University
Birmingham, Alabama

Sheldon V. Pollack, MD
Assistant Professor of Medicine (Dermatology)
Duke University Medical Center
Durham, North Carolina

Zannini P: *See* Rebuffat et al., 200

SUBJECT INDEX

A

Abscess
A pouching system to contain drainage from an abscess during irrigation (Ortman), 24 (Case notes)
Acute care
The importance of being exotic (Alterescu), 3 (Editorial)
Antacids
Antacids (Young), 63 (Drugs: Actions and reactions)
Antidiarrheals
Antidiarrheals (Young), 227 (Drugs: Actions and reactions)

B

Barium instillation
Barium instillation via colostomy (Panzau, Gundlach, and Ahrens), 26 (Case notes)
Book reviews
Discharge Planning Handbook (reviewed by McDevitt), 114
Ethics in Nursing (reviewed by Fountain), 73
Handbook of Aging and the Social Sciences (reviewed by Brock), 116
Issues and Concepts in Patient Education (reviewed by Kowalski), 235
Mosby's Manual of Urologic Nursing (reviewed by Cafferty), 193
Nursing Skills and Evaluation: A Nursing Process Approach (reviewed by Luedke), 153
Patient Contacting (reviewed by Robertson), 234
Patient Education: An Inquiry Into the State of the Art (reviewed by Crosson), 154
Practical Approaches to Patient Teaching (reviewed by Jarvis), 33
Principles of Ostomy Care (reviewed by Wagle), 32
Promoting Wellness in Nursing Practice: A Step-by-Step Approach in Patient Education (reviewed by Silva), 192
Reading Statistics and Research (reviewed by O'Sullivan), 114
Stomas. Clinics in Gastroenterology (reviewed by Adrien), 234
These Special Children: The Ostomy Book for Parents of Children With Colostomies, Ileostomies, and Urostomies (reviewed by Hernandez), 192
Burnout
Preventing burnout by adaptively managing stress: Biopsychosocial strategies (Cronin-Stubbs), 123

C

Colectomy
Alternatives to conventional ileostomy in the surgical treatment of ulcerative colitis (Goligher), 79
Colitis, ulcerative
Alternatives to conventional ileostomy in the surgical treatment of ulcerative colitis (Goligher), 79
Colorectal cancer
Epidemiologic aspects of colorectal cancer in the elderly (Motta), 132
Colostomy
Barium instillation via colostomy (Panzau, Gundlach, and Ahrens), 26 (Case notes)
Colostomy irrigations—So simple? (Smith), 22 (Clinical rounds)
Loop ileostomy as an alternative to transverse loop colostomy (Nordström and Hultén), 92
Patient teaching guidelines (Thielman), 166
Stoma function in patients with a left colostomy: The importance of dietary management (Rebuffat et al), 200
Constipation
Constipation in infants and children: Personal observations and management (Alvear and Solenberger), 14
Laxatives (Young), 147 (Drugs: Actions and reactions)
Copolymer starch
Use of a copolymer starch for dressing a cancerous wound: One clinician's experience, 149 (Case notes)
Counseling, postoperative
Postoperative counseling for cancer/ostomy patients (Watson), 84
Crohn's disease
Media coverage of ulcerative colitis and Crohn's disease (Kristy and Pichert), 178

D

Deodorant
Considerations in selecting a deodorant for odor control (Pilert), 145 (Product report)
Diarrhea
Antidiarrheals (Young), 227 (Drugs: Actions and reactions)
Dietary management
Stoma function in patients with a left colostomy: The importance of dietary management, 200 (Rebuffat et al)
Dressings
Polyurethane film dressings (Bragg and Martin), 185 (Product report)
Use of copolymer starch for dressing a cancerous wound: One clinician's experience (Panzau), 149 (Case notes)

E

Elderly patients
Epidemiologic aspects of colorectal cancer in the elderly (Motta), 132
ET Foundation
Reflections (Broadwell), 75 (President's message)
ET nurses(ing)
A little isolation (Laptosh), 117 (Letters)
A question of responsibility (Scott), 194 (Letters)
A working relationship between enterostomal therapy and occupational therapy (Solomon and Simhoni), 208
Blood, sweat, and tears (Alterescu), 77 (Editorial)
ET recognition (Broadwell), 195 (President's message)

January/February, pp. 1-38; March/April, pp. 39-74; May/June, pp. 75-118; July/August, 119-156; September/October, pp. 157-194; November/December, pp. 195-239.

Job security: Is there a threat? (Broadwell), 119 (President's message)
News and views from South Africa (James), 194 (Letters)
Professional intensive caring (Schaffer), 237 (Letters)
The ET nurse and self-disclosure (Watson), 155 (Letters)
Reply to Watson: ET nurse and self-disclosure (Rodin, Chmara, and Garde), 155 (Letters)
The ET with a stoma: The question of self-disclosure (Rodin, Chmara, and Garde), 10
The future of ET nursing (Broadwell), 1 (President's message)
When does the ET nurse-patient relationship end? The patient with an ileal conduit and a spica body cast (Smith), 221 (Clinical rounds)

Extended care
The importance of being exotic (Alterescu), 3 (Editorial)

F

Faceplates
Changing convexity of faceplates (Sedgwick), 187 (Case notes)

Fecal diversion
Oral medications and the person with a fecal diversion: The dilemma of absorption (Dier), 19

Fistulas
Fistula management (Tolch), 74 (Letters)
Vaginal fistulas (d'E Stevens), 117 (Letters)

G

Gastrointestinal absorption
Oral medications and the person with a fecal diversion: The dilemma of absorption (Dier), 19

Gastrostomy tube
Stabilizing a gastrostomy tube (Gillen), 108 (Case notes)

H

Health care
The importance of being exotic (Alterescu), 3 (Editorial)
Well, well, wellness (Faller), 194 (Letters)
Will we ever contain health care costs? (Motta), 198 (Editorial)

Hirschsprung's disease
Constipation in infants and children: Personal observations and management (Alvear and Solenberger), 14

Hyperplasia
Hyperplasia or what? (Smith), 181 (Clinical rounds)

I

Ileal conduit
When does the ET nurse-patient relationship end? The patient with an ileal conduit and a spica body cast (Smith), 221 (Clinical rounds)

Ileal-anal anastomosis
Alternatives to conventional ileostomy in the surgical treatment of ulcerative colitis (Goligher), 79

Ileorectal anastomosis
Alternatives to conventional ileostomy in the surgical treatment of ulcerative colitis (Goligher), 79

Ileostomy
Alternatives to conventional ileostomy in the surgical treatment of ulcerative colitis (Goligher), 79
Loop ileostomy as an alternative to transverse loop colostomy (Nordström and Hultén), 92
Patient teaching guidelines (Thielman), 166

Information explosion
The information explosion: A case of spontaneous combustion (Alterescu), 41 (Editorial)

International Association for Enterostomal Therapy
Blood, sweat, and tears (Alterescu), 77 (Editorial)
ET recognition (Broadwell), 195 (President's message)
House of Delegates (Broadwell), 39 (President's message)
Outcome standards for the ostomy client, 128
Recapping the conference (Broadwell), 157 (President's message)
The adolescent association (Alterescu), 159 (Editorial)

International Association for Enterostomal Therapy Strategic Planning Report
Comments on (King), 237 (Letters)
Part I, 5
Part II, 42
Part III, 95
Part IV, 136
Part V, 169
Part VI, 212

Irrigation
A pouching system to contain drainage from an abscess during irrigation (Ortman), 24 (Case notes)
Colostomy irrigations—So simple? (Smith), 22 (Clinical rounds)

J

Journal of Enterostomal Therapy
A job well done (Anderson), 74 (Letters)
A word of thanks (Dudas), 38; (Kirchoff), 38 (Letters)

K

Karaya
Combination of karaya-based skin barrier and a closed-cell foam in pouching of urinary diversions (Sedgwick), 188 (Case notes)
Karaya reconsidered (Alterescu and Watt), 35 (Product report)

L

Laxatives
Laxatives (Young), 147 (Drugs. Actions and reactions)

Literature
Current 28, 71, 111, 150, 190, 231

M

Media coverage
Media coverage of ulcerative colitis and Crohn's disease (Kristy and Pichert), 178

Medications
Guidelines for the use of topical medications (Rothstein), 203

Oral medications and person with a fecal diversion: The dilemma of absorption (Dier), 19
Toward a physiologic approach to the topical treatment of opened wounds (Alterescu), 101 (Clinical rounds)

N

Nuclear war
Nuclear responsibility (Edwards), 74 (Letters)
Nursing
Nursing in the Soviet Union: Observations and impressions (Watt and Bangert), 58

O

Obituaries
Burns, Kathy (Dudas), 38; (Kirchhoff), 38 (Letters)
Mahoney, Joanne (Lenneberg), 238 (Letters)
Occupational therapy
A working relationship between enterostomal therapy and occupational therapy (Solomon and Simhoni), 208
Odor control
Considerations in selecting a deodorant for odor control (Pilert), 145 (Product report)
Oral medications
Oral medications and the person with a fecal diversion: The dilemma of absorption (Dier), 19
Ostomy patients
Impact of ostomy upon the spouse (Kobza), 54
Outcome standards for the ostomy client, 128
Patient teaching (Maloney), 194 (Letters)
Patient teaching guidelines (Thielman), 166
Postoperative counseling for cancer/ostomy patients (Watson), 84
Problems of rehabilitation of Filipino stoma patients (Joson), 161
The elderly ostomate (Motta), 38 (Letters)
Outcome standards
Outcome standards for the ostomy client, 128

P

Pouching
A pouching system to contain drainage from an abscess during irrigation (Ortman), 24 (Case notes)
Combination of karaya-based skin barrier and a closed-cell foam in pouching of urinary diversions (Sedgwick), 188 (Case notes)
Postoperative pouches (Bragg), 69 (Product report)
Pouching the draining wound (Stright), 156 (Letters)
Proctocolectomy, complete
Alternatives to conventional ileostomy in the surgical treatment of ulcerative colitis (Goligher), 79

R

Rehabilitation
Problems of rehabilitation of Filipino stoma patients (Joson), 161
Research
Socrates would weep (Alterescu), 197 (Editorial)

S

Scientific literature
On writing (Alterescu), 121 (Editorial)
Shotgun wounds
Shotgun wounds: A case study (Basch), 25 (Case notes)
Skin barrier(s)
Combination of karaya-based skin barrier and a closed-cell foam in pouching of urinary diversions (Sedgwick), 188 (Case notes)
Utilization of solid-form skin barriers (King), 224 (Product report)
Soviet Union
Nursing in the Soviet Union: Observations and impressions (Watt and Bangert), 58
Spica body cast
When does the ET nurse-patient relationship end? The patient with an ileal conduit and a spica body cast (Smith), 221 (Clinical rounds)
Stoma
Problems of rehabilitation of Filipino stoma patients (Joson), 161
Stoma function in patients with a left colostomy: The importance of dietary management (Rebuffat et al), 200
The ET nurse and self-disclosure (Watson), 155 (Letters)
The ET with a stoma: The question of self-disclosure (Rodin, Chmara, and Garde), 10
Strategic Planning Report (*see* International Association for Enterostomal Therapy Strategic Planning Report)
Stress
Preventing burnout by adaptively managing stress: Biopsychosocial strategies (Cronin-Stubbs), 123

T

Topical medications
Guidelines for the use of topical medications (Rothstein), 203
Toward a physiologic approach to the topical treatment of opened wounds (Alterescu), 101 (Clinical rounds)

U

Ulcerative colitis
Media coverage of ulcerative colitis and Crohn's disease (Kristy and Pichert), 178
United Ostomy Association
ET recognition (Broadwell), 195 (President's message)
Urinary diversion(s)
Combination of karaya-based skin barrier and a closed-cell foam in pouching of urinary diversions (Sedgwick), 188 (Case notes)
Patient teaching guidelines (Thielman), 166
Urostomy, continent
The continent urostomy—An exchange (Faller), 74 (Letters)
Reply to Faller N: The continent urostomy—An exchange (Gerber), 74 (Letters)
Urostomy system
The VPI nonadhesive urostomy system (Draayer), 65 (Case notes)

V

Vesicostomy, continent
The continent vesicostomy: An interview with Dr. Roberto Reid (Pressel), 207
VPI system
The VPI nonadhesive urostomy system (Draayer), 65 (Case notes)

W

World Council of Enterostomal Therapists
The President's message: An exchange (May), 117 (Letters)
Reply to May: The President's message: An exchange (Broadwell), 117 (Letters)

Wound(s)
Abdominal wounds: Breakdown and dehiscence (Motta), 143 (Clinical rounds)
Polyurethane film dressings (Bragg and Martin), 185 (Product report)
Pouching the draining wound (Stright), 156 (Letters)
Shotgun wounds: A case study (Basch), 25 (Case notes)
Toward a physiologic approach to the topical treatment of opened wounds (Alterescu), 101 (Clinical rounds)
Use of a copolymer starch for dressing a cancerous wound: One clinician's experience (Panzau), 149 (Case notes)
